Haden Ciucci

Looking to expand my knowledge of the entire computer science and technology spectrum, whether it is graphic design, editing, film production, manual computer work, installing computer parts, website design, or other areas to improve skills and ability.

hciucci@email.sc.edu | (854) 202-1579

EDUCATION USC, Columbia — First Year Freshman going into second semester in the Computer Science and Engineering Department

Columbia, SC   2023-2027

Major: Computer Information Systems   Minor: Business Administration

GPA: 4.0

EXPERIENCE Cashier at Harris Teeter | Bus boy and Host at Smoky Yolk

- *Harris Teeter, Harbor View Rd* — Cashier and Bagger September 2021 - December 2021 Gained a large amount of people skills and worked with people of all different types in a pressure-filled environment, whether it was kids with their parent's money unsure how to pay, or stressed-out parents trying to get through the line and to home as quickly as possible.
- *Smoky Yolk, Camp Rd - Bus Boy and Host (Summer Job)* June 2023 - August 2023 Worked to clean tables and show customers to their tables, while also managing to-go orders, and running food to tables. Dealt with all types of people and personalities.

SKILLS Online Creator January 2021 - PRESENT

- creating, filming, producing, and editing
- partnerships and sponsorships with companies where I mention them for an allotted amount of time on social media. They compensate me for the number of people I bring to their platform. (Ex. Oooh https://oooh.tv/)
